

HOUSEPLANT WATERING & CARE TRACKER

Keep track of watering, fertilizer, and plant care so nothing gets forgotten.

Tip: Check the soil before watering. Some plants need less water depending on the season and light.

1 Plant Profile

Plant Name: _____	Water Amount: _____
Location: _____	Watering Frequency: _____
Light Needs: _____	Fertilizer Schedule: _____

2 Watering & Care Log

Date	Plant	Soil Dry?	Water Given	Fertilized	Next Check	Notes
